

School and house rules

In our school...

- everyone should be able to feel comfortable,
- you must not disturb the lessons,
- we are considerate of one another.

So it goes without saying that I...

- protect weaker pupils
- do not use violence,
- get help if I cannot handle a situation on my own,
- report accidents and property damage to a teacher,
- leave the toilets tidy after use,
- respect the property of my classmates and teachers
- am polite and friendly to classmates, teachers, secretaries and caretakers,
- follow the instructions of teachers and other people working at the school.
- show up to class on time,
- do not wear a cap or similar items during class,
- do not spit, throw objects or chew gum in the school building or on the school grounds,
- sort my rubbish and throw it in separate bins.

It is strictly forbidden...

- to throw snowballs,
- to smoke and to carry alcohol and other drugs with you,
- to bring to school or to pass on dangerous objects, e.g. knives,
- play with fire.

Mobile phone rules

The mobile phone/smartphone must be switched off and must not be visible. If these rules are violated, the mobile phone will be confiscated. It can be picked up at the office of the head teacher of the corresponding department on the next school day during the first long break in exchange for a letter from the parents which can be downloaded from the school's homepage.

I hereby accept these rules and will follow them.
(signature of the student)

We hereby accept these rules and will support our child in complying with the rules.
